FAMILY SPOTLIGHT...*Robert and Susan Bettis*

Robert and Susan live in Lee's Summit, having recently moved back to Missouri following eight years in Florida on a job transfer with GE Transportation. Susan grew up in Eugene, Oregon. Susan's father was a Naval Officer during WWII and later became a Circuit Court judge. While attending Cottey College in Nevada, Missouri, she met Robert (attending the University of Missouri, Rolla) through a joint YMCA/YWCA work project. Matrimony ensued (after graduation from respective colleges). Robert was born and mainly lived in the Kansas City area. His family moved to Tennessee for about 6 years, moving back to KC after his freshman year in high school. His father was a WWII Army veteran and his mother was a 'Rosie', being a welder in the Evansville, IN, shipyards for the war effort. Robert worked as an electronic and safety engineer for 38 years before retiring in 2014. Susan worked for the Municipal Court and later became a teacher for disabled children. During their 43 years of marriage Robert & Susan have had many adventures as they raised their two sons, William and Daniel. Moving back north places them closer to their four grandsons, a granddaughter, and two honorary granddaughters. They enjoy hiking, bicycling, traveling, and attending the Kansas City Symphony. They attended Red Bridge COC for many years until the 2009 Florida transfer and know several of the Blue River members from that time. Welcome, Bettis family!
